Dear LWVMpls Member,

One of the great strengths of the League of Women Voters is its annual process of identifying issues of concern through a grassroots process—Program Planning—that **seeks the input of every member**. By participating in this annual process you are part of the most important decisions we make as League members. This is your chance to be heard, to bring forward your ideas for study and community discussion and listen to the needs others see for our time and energies.

**We'll meet at Richfield United Methodist Church, 5835 Lyndale Ave South, in Minneapolis. Parking is free and adjacent to the church, and public transportation is close.**

LWVMpls Program Planning is a citywide meeting, a great chance for networking with members, greeting old friends and meeting some of the most interesting women in the city. And you get breakfast!

**9:00-9:20 a.m. is reserved for eating and greeting—and advocating for the issues you want to bring forward!**

**9:30 a.m. will feature a Special Guest Speaker!** Please check upcoming Thursday Emails or our website for more details. You won't want to miss it!

**Program Planning!** This year we will be discussing Minneapolis and LWVMN program. You should review the enclosed materials and **bring the Program Response Form with you**. Let your voice be heard in small groups and large, as we talk about the topics of interest.

**Bring items to donate, if you can** - Richfield United Methodist Church operates a thrift shop which is in need of the following items: sheets, towels, and bathroom accessories. Donations of children's winter coats will be shared with Windom School through a partnership with Richfield United Methodist Church.

**Please RSVP *now* via [vote@lwvmpls.org](mailto:vote@lwvmpls.org) or 612-333-6319**

If you need a ride in order to attend, please let the office know, and we will try to connect you with another member. **If you are unable to attend**, please participate by sending your Program Response Form to the LWVMpls office **by Monday, January 28<sup>th</sup>**.

Sincerely,

Annie Hall, Program Planning Meeting Coordinator
